

## Is There Light At the End of the Tunnel for Technology Stocks?

Once a darling and best performing sectors of yesteryear, the technology sector has bear the brunt for most of the volatility in the markets in 2022.

Concerns on high interest rates, high valuations and weakening earnings expectation has led the flight to safety, but could this be an emerging opportunity to accumulate great technology companies at a discount?

Join us on an exclusive webinar with Rahul, CFA, Portfolio Specialist from T Rowe Price, where he will discuss the current thematic opportunities that are present in the technology sector and how investors should navigate and position their portfolios in this exciting area.
